# *DocuPrint*<sup>®</sup> **C1618**

## ***How do you know if the DocuPrint C1618 is right for you?***

**EASY** – are you thinking about **saving** by not getting all the fancy extras? Then you're looking in the right direction. How about **performance**? You'll want a really hard worker, won't you? That's good. And because you'll be printing a lot of documents, **duplexing as standard** is going to save you a fortune in the long run – right? Right. Then read on.

**Fuji Xerox Printers. *EASY.***

## VALUE-PACKED

### HOW DO WE DO IT?

# EASY.

#### **EASY 1: Don't compromise on performance.**

The C1618 is built for busy environments. It can handle as much as a group of busy users will ask of it – and come back with brilliant results every time.

- Print speeds of 16 pages per minute in colour or black and white, 10 pages per minute in duplex.
- First page out in 14 seconds.
- 350 Mhz processor, 64 MB of RAM (upgradeable to 320 MB max).

#### **EASY 2: Keep it economical.**

The C1618 makes high-quality, high-demand colour printing more affordable. And we're not just talking about price. We built this printer to run on the smell of an inky rag.

- Low ongoing operating costs.
- Two low power modes to save energy. Warms up from sleep mode in under 30 seconds.
- Robust and reliable – even under heavy workloads.

#### **EASY 3: Add value through outstanding results.**

Colour is what the C1618 does best. You can look forward to bold, vibrant printouts at high speeds. So whole groups can produce great work on deadline.

- Prints vivid images, crisp text and perfect graphics.
- Rich, vibrant colours for reports, envelopes, transparencies, cards, flyers.
- Prints on a wide range of paper stocks, from 60 gsm to 216 gsm.

### **EASY ARGUMENTS - COLOUR.**

- Reader comprehension is 14% better with highlight colour than with bold text.
- Decisions to read or reject mail are made in 2.5 seconds. Colour cuts through to gain readership by 80%.
- Colour can improve symbol and brand recognition by up to 80%.

# AND COLOUR LASER PRINTER

**TO MEET  
HEAVY DEMAND.**

## DocuPrint C1618

### **EASY 4: Make it easy on everyone.**

The C1618 is designed to not create problems – right from the day it arrives. Setup is simple, and changing toner is quick and simple. Even its compact size lets it fit in anywhere.

- TCP/IP Network Capable.
- Automatic duplexing, 500-sheet tray and 100-sheet multi-purpose tray are all in the basic configuration.
- Additional two 500-sheet trays optional. Ideal for big projects or long reload intervals – your choice.

### **Time-Saving Intelligence**

- Our web-enabled Xerox CentreWare software lets you monitor your printer, your job, and in-depth accounting information from any PC, locally or via the internet.
- The software can also email the system administrator when ink or paper gets low – and even do its own troubleshooting to save you the time and hassle.

*There you go. Time-saving and intelligent.*

### **EASY DECISION**

#### **EASY 1:**

Print speeds of up to 16ppm, in colour or black and white.

#### **EASY 2:**

Vivid colour printouts and crisp text across a range of media, including recycled paper and transparencies.

#### **EASY 3:**

Automatic duplexing, 500-sheet paper tray and 100-sheet multi-purpose tray are all included in the basic configuration.

#### **EASY 4:**

Special paper calibration feature means reliable performance on anything up to 216 gsm stock.

#### **EASY 5:**

Easy to manage and network ready straight out of the box.

A4, 8 labels/sheet 003-R974-04

#### Consumables

Black Toner (up to 8,500 pages) CT2-002-26  
Yellow Toner (up to 6,000 pages) CT2-002-29  
Cyan Toner (up to 6,000 pages) CT2-002-27  
Magenta Toner (up to 6,000 pages) CT2-002-28  
Drum Cartridge (up to 30,000 pages) CT3-501-68  
Transfer Roll (up to 25,000 pages) E31-000-25

Capacities are based on 5% coverage on an A4-size page

### Configurations

#### Performance

	C1618
Print speed	16 ppm colour / 16 ppm black
Duplex print	10 ppm colour / 10 ppm black
First page out	14 seconds in full colour
Memory (Std / Max)	64 / 320 MB RAM
Processor	350MHz RISC CPU and Dedicated ASIC Co-processor, 100MHz BUS controller, PCL6 emulation – European 80 fonts
Internal hard disk drive	Optional 10GB
Maximum duty cycle	Up to 60,000 pages/month

#### Networking

Network connectivity Bi-directional Parallel, USB and Ethernet 10/100BaseTX (TCP/IP).

#### Paper Handling

Automatic 2-sided printing	Standard
Paper input capability	500-sheet standard tray 100-sheet multi-purpose tray 2 x 500-sheet tray high capacity optional

#### Productivity

Standard features Centware IS job repository

#### Warranty

One-year on-site warranty

### Specifications

#### Network/Software

**Printer management** CentreWare Web, CW Printer Management, Enhanced CW IS Embedded Web Server, MailLinX email alerts, Usage analysis, Remote diagnostics.

**Font capabilities** European 80 fonts – PCL6 emulation.

**Printer drivers** Windows 95/98/Me, Windows NT 4.0, Windows 2000/XP and MacOS (8.6/9.2.2).

**Languages** PCL6 emulation.

#### Paper Handling

**Media types** *Standard tray:* Plain paper including recycled from 60-99gsm. *Multi Purpose tray:* Paper stock from 60-216gsm including transparencies, labels, glossy paper, business cards and envelopes. *Duplex printing:* Trayless duplex for stock from 60-99gsm.

**Media sizes** A4, B5, A5, letter, legal.

#### Special Features

**CentreWare** Internet Services for easy printer management.

**Status Messenger** with email that notifies status of paper, toner, errors, etc for proactive management.

**Optimum Image Processing** for mixed documents with text, photos and graphics for perfect reproduction.

#### Colour Controls

**Colour standards** PANTONE®-approved solid-colour simulations, support for ICC and Apple ColorSync colour management systems.

**Print Quality Modes** Standard, High quality, Super Fine.

**Colour correction** Colour balance and ICC profile.

#### Operating

**Dimensions** Width: 439mm, Height: 445mm, Depth: 638mm, Weight: 36 kg

**Noise level** Operation: less than 55.0dBA and Standby: less than 35dBA.

**Power consumption** max 850W, Standby mode: less than 23W, Energy saving mode: less than 4W, average 284W.

**Power source** 220/240V±10% and 50Hz/60Hz±3Hz.

#### Customer Support

One-year on-site warranty, online web technical support and telephone support. Innovative service offerings include optional extended Service Agreements and custom training for your internal Help Desk.
